歷史/History

[源起]

北醫女子網球隊是台灣最早的女子網球隊。最早源起於民國59年，是個硬式網球剛開始起步的年代。當時，北醫只有一個硬地球場和一個紅土球場。完全靠愛好網球的熱情學長姐和師長(李誠老師等人)，不停的聯絡奔走，終於讓網球在北醫扎根，北醫網球隊也正式成立。令人意外的是，北醫網球隊隨著台灣網球的興盛，也隨之迅速向上發展。直到今日，北醫網球隊總能在國內大專學校的大小比賽中佔有不可動搖的一席之地！

[飛揚]

近幾年，隨著台灣網球名將漸漸在各大滿貫賽事中嶄露頭角，我們發現北醫校內熱愛網球運動的同學愈來愈多。不論是從未接觸過，或者是從小便拎著球拍到處跑的熱血同學，我們都很希望大家能盡情享受打網球帶來的歡樂。因為有學校的支持和幫助，我們開始嘗試舉辦校內的網球比賽，例如小醫盃的班級網球團體賽、新生杯和北醫盃的個人賽等，希望能有更多人體會到網球的致命吸引力。當初苦撐起球隊的學長姊們這樣說。除了校內的熱烈反應外，校外友隊的支持，也讓北醫女子網球隊充滿了感動。畢業的學姊們總是會不時提供各項幫助，幫現任球員張羅校外比賽的住宿問題，或者是回球隊指導隊員們。難能可貴的是，她們總在百忙中抽身回來參加球隊舉辦的校友盃，讓隊員們深深體會到北醫女網堅強的向心力。

北醫女子網球隊逐漸在茁壯中，我們已經撐過了最辛苦的打地基時期。希望女網隊能夠在熱情的隊員和社員們手中，如同不遠處的台北101一般，成為全台灣耀眼的指標，在每個比賽中屢創佳績！

Taipei Medical University Women's Tennis Team is the first women's team in Taiwan, originating in 1960. At the time, Taipei Medical University only had a hard court and a clay court. Through continuous efforts and non-stop communication with school officials, students and teachers (Professor Cheng, Li and others) who are dedicated to the tennis-community ultimately succeeded in letting tennis take root within TMU. With the prosperity of tennis in Taiwan, TMU Tennis team also developed rapidly. Even today, TMU Tennis team has always had outstanding performances in many of the competitive tournaments in Taiwan!

In recent years, as Taiwanese tennis players have gradually emerged in major championships, we have found that there are more and more students who love tennis at TMU. Whether you have never been in touch, or are classmates running around holding the racket with passion, we all hope that you can enjoy the delight of playing tennis. Because of the support and help from school, we began to try to organize tennis competitions in school, such as the class tennis team competition of the small medical cup, the individual competition of the freshman cup and the TMU cup, and hope that more people will realize the attraction of tennis.

The senior students who had braced the team had said so. In addition to the enthusiastic response from the school, the support of the foreign friends' teams also made the Taipei Medical University Women's Tennis team full of emotion. The graduated students will always provide various help from time to time to help the current player arranging problems outside the school, or return to the team to instruct the players. What is commendable is that they always withdraw from their busy schedules to participate in the cup held by the team, so that the players deeply appreciate the strong join force of Taipei Medical University Women's Tennis Team.

As the tall buildings rise to the ground, the Taipei Medical University Women's Tennis Team is gradually growing stronger. We have survived the most difficult period of setup the base. I hope that the Women's Tennis Team will be in the hands of enthusiastic players and members, like Taipei 101 not far away, becoming a dazzling star for all of Taiwan, and it has repeatedly achieved good results in every game!
